Vision33

SAP BUSINESS ONE VS. QUICKBOOKS

SAP Business One	quickbooks
Business management software for small to midsized businesses	Basic accounting software for small businesses

TARGET MARKET

Growing small and midsized businesses with accounting and business management needs **10-1000 EMPLOYEES** **>$10M REVENUE**	Small businesses with relatively small budgets and basic accounting needs **1-100 EMPLOYEES** **<$10M REVENUE**

NUMBER OF USERS

Unlimited users and role-specific logins	Maximum of 25

BASIC FEATURES

Accounting & financials Sales & CRM Inventory & distribution Purchasing & operations Real-time reporting	Accounting

INVENTORY MANAGEMENT

Robust inventory management features and industry-specific customizations are built in	An advanced inventory add-on is available with the Enterprise Edition only

PERFORMANCE & DATA VOLUMES

No limits to the number of employees, customers, vendors, products, or other names	Performance declines after you reach a certain number of transactions

CUSTOM REPORTING

Built-in reports and custom queries to create and publish reports, charts, dashboards, and KPIs	The enterprise-level package has a custom reporting tool, but its features are limited and users find it difficult to use

AUDIT COMPLIANCE

Fully GAAP Compliant	Not GAAP compliant

SCALABILITY

Completely scalable and is perfect for small businesses while easily scaling up as businesses grow	Limited scalability and is best suited for small operations, as it fails to meet increasing requirements

Vision33

Vision33 transforms business processes and results for customers by delivering value through the promise of technology and its benefits for growing businesses. For over 30 years, Vision33 has helped companies integrate and automate their processes and applications to better serve their customers, employees, and stakeholders.

With over 1,000 customers worldwide, Vision33 helps businesses make successful technology investments to outperform their competition and lead their industries. Vision33's nearly 400 employees offer product expertise, business experience, and innovative technology leadership.

Whether it's a global company with 100 subsidiaries or a small business, Vision33 works alongside every customer to meet their goals. Vision33 also has formal partnerships to resell, implement, and support leading ERP applications, is a leader in cloud deployment, and has developed exclusive products, including Saltbox Integration Platform (saltbox.io) and iDocuments (idocuments.io).

When you're ready to take the next step, speak with a qualified Vision33 consultant in your area.
