

Message Confirmation Options

September 2015

Tired of confirming multiple messages when performing regular tasks?

Well, you can change it right now!

Next time a message you automatically respond to appears, select this new checkbox:

The screenshot shows the SAP Sales Order window. At the top, there are fields for Customer (C20000), Name (Maxi-Teq), Contact Person (Max Teq), Customer Ref. No., and BP Currency (\$). On the right, there are fields for No. (Primary), 371, Status (Open), Posting Date (07/12/2015), Delivery Date (07/12/2015), and Document Date (07/12/2015).

The main area contains a table with columns: #, Item No., Item Description, Quantity, No. of Packages, Unit Price, and Dis... The table has two rows, with the first row selected. A dialog box is overlaid on the table, asking: "Do you want to update the existing table rows with the new delivery date?". Below the question is a checkbox labeled "Remember My Answer and Do Not Show This Message Again", which is currently unchecked. There are "Yes" and "No" buttons at the bottom of the dialog box.

At the bottom of the window, there are fields for Sales Employee (Sales Manager), Owner, and a Remarks text area. On the right, there is a summary table:

Total Before Discount	400.00 \$
Discount	%
Freight	→
<input type="checkbox"/> Rounding	0.00 \$
Tax	24.00 \$
Total	424.00 \$

At the bottom left, there are "Add" and "Cancel" buttons. At the bottom right, there are "Copy From" and "Copy To" buttons.
